IT'S JUST WEIRD.

You are sitting at a local beer manufacturer sipping delicious elixirs in a dry county eating Korean food. It doesn't make sense, it is different, and maybe even makes you feel uncomfortable. **IT'S JUST WEIRD** would be the best way to describe it. Weirdness is what has helped create some of the greatest artists, athletes, engineers, politicians, and then some. We are proud to be weird and look forward to growing the weird culture that is at the heart of Van Buren.
